PROFESSIONAL EXPERIENCE

Consultant – Seattle, WA (January 2013 to present)

- Provide bilingual consulting services drawing from an expertise in evaluation, research, capacity building, community engagement, and health promotion to multisectoral clients.

Associate – Creative Narrations, Seattle, WA (February 2013 to present)

- Provide cutting-edge social change consulting, with an emphasis on multimedia support and training for non-profit and educational institutions.
- Work with diverse and multilingual clients to blend together their narratives, technology, and community building to achieve social action and change; specialize in Spanish-English clientele.
- Coordinate multiple projects and teams in various sites across the U.S.
- Contribute to sustainability efforts.

Advisor – Just Health Action, Seattle, WA (2009 - present)

- Advise Just Health Action on business strategy and program evaluation.

Preventive Health Services Director – Sea Mar Community Health Centers, Seattle, WA (2011-2012)

- Served as department head for the Preventive Health Services Department (including the following programs: Women, Infants, and Children; Maternity Support Services; Medical Nutrition Therapy; Health Education; and Dietetic Internship) at a federally-qualified health center with 25 service sites across Western Washington State and an annual department budget of \$3.5 million.
- Supported 12 program managers and the WIC Director in the delivery of fee-for-service and contract services.
- Participated in agency-wide management, operations, and quality improvement teams and initiatives.
- Chaired the Latino Health Forum of the Pacific Northwest planning committee.
- Advocated on behalf of Sea Mar patients in the following positions:
 - Community liaison - Racial and Ethnic Approaches to Community Health (REACH) coalition in King County; Co-chair, Advocacy Committee
 - Sea Mar liaison - Healthy Washington Coalition for state implementation of health care reform

Program Manager – Sea Mar Community Health Centers, Seattle, WA (Jan. 2007-Oct. 2011)

- Directed health promotion programming for eleven medical sites in eight counties across the state
- Administered multiple contracts, project budgets, and quality improvement processes
- Expanded health communication efforts through innovative social media strategies (e.g. liberation theatre, radio novelas, digital stories, photovoice, and Facebook)
- Advised program development, implementation, and evaluation of promotores program, based on community needs assessment and formative research
- Staff Management. Manager of the Year – 2010; nomination finalist in 2008 and 2009.
 - Hired, trained, supervised, and evaluated health educators (10+ individuals at a time) and community mobilizers
 - Developed and institutionalized competency-based programs including training curriculum, competency tests, and evaluation
 - Supervised 12+ research project staff for the NIH-funded Fortaleza Latina study
 - Provided oversight to multiple AmeriCorps members and University of Washington Master of Public Health candidates (up to seven at a time)
- Grant writing. Explored and developed program sustainability through grant writing. Contributed to efforts that successfully secured the following funding sources for Sea Mar:
 - \$200,000 – CDC-funded REACH US grant to reduce diabetes disparities among Latinos in King Co.
 - \$185,000 – Federal Stimulus Funds - Communities Putting Prevention to Work (CPPW) to reduce obesity through healthy eating and active living and tobacco prevention and control in King Co.
 - \$100,000 (per year, indefinitely) – HRSA-Enabling Services grant to increase service access among migrant and seasonal farmworkers through promotores in Skagit and Whatcom counties
 - \$35,000 – Susan G. Komen for the Cure – Puget Sound Affiliate grant to increase early detection of screening mammography among rural women in Aberdeen, WA
- Leadership. Provided leadership within the organization in the following roles:
 - Chair -- Latino Health Forum planning committee (2011)
 - Founder -- Worksite health promotion program
 - Co-chair -- Childhood Obesity Interest Group
 - Chair -- Vendor Committee, Seattle Fiestas Patrias (2009 and 2010)
- Advocacy. Advocated on behalf of Sea Mar patients in the following positions:
 - Co-chair -- Advocacy Committee for the REACH Coalition of King County
 - Sea Mar liaison -- Healthy Washington Coalition for health care reform
 - Sea Mar liaison -- Washington State Prediabetes Advocacy Committee
 - Community liaison -- Racial and Ethnic Approaches to Community Health (REACH) and Communities Putting Prevention to Work (CPPW) coalitions in King County
- Research. Coordinated clinical research implementation for the NIH-funded *Screening Mammography and Latinas* study (Fortaleza Latina) in collaboration with the Fred Hutchinson Cancer Research Center
 - Participated in Investigator Committee
 - Contributed to manuscript development for dissemination efforts
- Clinical Integration. Supported the integration of services by directing the following activities:
 - Monthly Diabetes Day Eye Clinic of King County – Provide retinal exams, self-management education, depression screening, and specialty care coordination and follow up to uninsured diabetic patients at no cost using medical and preventive health services staff, AmeriCorps members, and a volunteer optometrist
 - Childhood Obesity Interest Group – Enhance communication, understanding, and connectivity of services among providers and clinical staff across departments in King County to better support families with overweight and obese children
- Community-Clinic Partnerships. Responded to patient needs by fostering and sustaining partnerships to increase access to community resources through the following obesity prevention activities:
 - South Park Community Kitchen (Sea Mar, South Park Community Center, Marra Farm/Lettuce Link, and Concord Elementary School) – Monthly cooking classes using seasonally-available foods harvested from local urban farm. Nutritional education provided in Spanish and English.
 - South Park Soccer Project (Sea Mar, South Park Community Center, Concord Elementary School, Washington Youth Soccer) – Fall and spring soccer program for South Park children ages 6 and 7 years old.

Photovoice Trainer – Health Promotion Research Center, Univ. of Washington, Seattle, WA (2007)

- Led Train-the-Trainers workshop on photovoice methods to assess perceptions of cardiovascular health among Asian elders
- Provided technical assistance for photovoice project development and implementation

Evaluation Project Manager – Center for Community Health and Evaluation (Group Health), Seattle, WA (2004-2007)

- Managed multiple evaluation and assessment projects for community health programs and initiatives, external clients, and contract deliverables (clients included Colville Confederated Tribes, UNITE HERE Local 8, Public Health-Seattle & King County, Social Justice Fund NW, Powerful Voices, and Group Health Permanente)
- Utilized qualitative and quantitative methods for evaluation activities
- Coordinated business development and grant opportunities, and contributed to proposal writing activities
- Provided oversight to graduate student interns
- Past projects addressed the following areas: built environment, chronic disease, tobacco prevention and control, workplace diversity, and worksite safety

Intern – Center for Community Health and Evaluation, Seattle, WA (2003-2004)

- Co-administered midcourse evaluation of the Group Health Community Foundation's Diversity Initiative, including data collection, analysis, report writing, and presentation to funders
- Led qualitative data analysis and report development for the Washington State Department of Health Tobacco Prevention Community Capacity Assessment

Focus Group Facilitator – Public Health-Seattle & King County, Seattle, WA (2004 - 2006)

- Facilitated Spanish-language focus groups with parents of children in pre-school and kindergarten for the Seattle Early Reading First midcourse and impact evaluations
- Facilitated Spanish- and English-language focus groups with youth and their parents in Yakima Valley, WA to assess attitudes and beliefs around abstinence for the Growing Up Healthy Project (2004); assisted in qualitative analysis of these data

Interviewer – University of Washington – Harborview STD Clinic, Seattle, WA (2005)

- Interviewed female study participants at risk for reinfection of bacterial sexually transmitted infections

Research Assistant – University of Washington – Universidad Peruana Cayetano Heredia – Via Libre, Lima, Peru (2003)

- Co-managed and executed fieldwork for the Fogarty International-funded study: "Acceptability of the Female Condom among Young, Heterosexual Women in Lima, Peru," including classroom- and clinic-based recruitment, enrollment, tracking, data collection and analysis, reporting, and dissemination
- Trained participants on female condom placement and use, and counseled on sexual negotiation strategies and family planning options
- Performed data management and analysis
- Prepared abstract, research paper, and poster presentation of the study

Graduate Research Assistant – University of Washington – Harborview STD Clinic – Lifelong AIDS Alliance, Seattle, WA (2002-2003)

- Assisted in project development of CDC-funded sexual health and behavioral intervention study
- Co-moderated Spanish- and English-language focus groups, and conducted individual interviews
- Transcribed and translated Spanish-language audio data
- Translated study materials from English to Spanish

Interviewer – HIV/AIDS Epidemiology, Public Health-Seattle & King County, Seattle, WA (2003)

- Conducted telephone-based surveys for Project P.A.C.E. (Pharmacy Access Campaign Evaluation), examining pharmacists' attitudes and practices toward users of injection drugs

Focus Group Facilitator – Seattle Indian Health Board, Seattle, WA (2003)

- Facilitated focus group discussion for the Elders Long-Term Care Needs Assessment

Focus Group Facilitator – University of Washington Health Policy Analysis Program – Northwest Health Law Advocates, Seattle, WA (2003)

- Facilitated Spanish focus group on Immigrant Transition from Medical Assistance to Basic Health
- Translated survey instrument from English to Spanish

Community Health Promoter – Ohio Hispanic Coalition (OHCO), Columbus, OH (2002)

- Provided Spanish- and English-language family planning, prenatal care, and nutrition education
- Outreached to Latino families for enrollment into the Help Me Grow, Early Start, Diabetes, and Domestic Violence programs
- Conducted Help Me Grow follow-up home visits for further intake
- Performed data collection and management for OHCO health programs

Medical Interpreter – Ohio Hispanic Coalition (OHCO), Columbus, OH (2002)

- Provided Spanish-English language interpreter services in clinical and social service settings

Community Health Promoter – Peace Corps, Boaco, Nicaragua, Central America (1999-2001)

- Conducted community needs assessment, prepared report, and disseminated results at town meeting
- Facilitated participatory community analysis and action process to address prioritized health needs
- Collaborated with community members to organize, plan, and implement health programs using popular educational methodologies
- Developed Train-the-Trainers curricula and implemented trainings for STI/HIV Adolescent Brigade, Student Health Promoters, and Health Education Teachers
- Prepared and delivered school- and clinic-based health education presentations on multiple health topics
- Served on the Small Project Assistance (SPA) grant review committee
- Co-authored successful SPA grants to support a regional girls' youth conference and latrine construction

Research Assistant – California State Department of Health Services, Berkeley, CA (1997-1998)

- Performed data collection and management for the California Perinatal Hepatitis B Prevention program
- Co-coordinated the Vaccine Preventable Disease courses and the statewide Immunization Conferences
- Provided administrative assistance to Research Specialist
